

On Monday June 29th, from 1:00 to 3:00 Councillor Mazen and Vice Mayor Benzan will be hosting a joint committee meeting to bring the STEAM working group together to develop strategies and timelines for summer research around: 1) developing stronger and more coordinated partnerships with the corporate community; 2) increasing interaction, alignment, and coordination with the Cambridge School Department; and 3) discussing and identifying existing models for out of school time coordination around the country and the world.

Agenda:

1:00 Call of meeting and brief welcome

1:05 Vice Mayor Benzan and Councillor Mazen provide Comments and Context

1:15 Public comment from the group

1:45 Subcommittee breakout groups to develop on strategies and timelines

2:30 Report back to whole group

3:00 Adjournment
